Nokesville 4-H Club Showing Their 4-H Spirit at TSC

Nokesville 4-H Club had a wonderful Saturday at Tractor Supply Company in Manassas, promoting 4-H and raising funds through popcorn sales and donations to help offset activity costs and provide an **opportunity for all**. Kiva the hen was a huge hit and encouraged youth that were shopping with their families to stop and ask questions about 4-H and Kiva. Our 4-H'ers practiced telling their 4-H Story and reaching out to

customers. Managing the table at TSC was a great way to warm up the market season, with many of the 4-H'ers also participating in the Prince William 4-H Young Entrepreneurs Project!

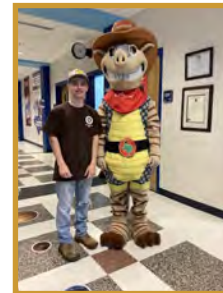

Promoting 4-H at T. Clay Wood STEAM Night

Prince William 4-H had enthusiastic teens volunteer to run a table at T. Clay Wood ES STEAM Extravaganza on Friday night. Michael DeRoche and Sam Key led games from the 4-H STEM Challenge Power Protectors, promoting the 4-H Pillar of STEM to event-goers.

4-H outreach is a key component in helping our youth become the next generation of community leaders. They are completing the learning cycle of engaging, exploring, explaining, and applying when they lead other's in activities. We're so proud of how much our 4-H'ers have grown...and have had FUN doing it!

VIRGINIA 4-H NORTHEAST DISTRICT FOOD CHALLENGE

Prince William 4-H sent four teams, Cool Carrots, Crazy Cookers, Friezers and Ghost Peppers, to the VA 4-H Northeast District Food Challenge on Saturday. What an amazing contest full of positive team work, culinary skills, and healthy living expertise! Our teams captivatd Chef Jim Thompson of US Foods and returning judge Rhett Willey, who were impressed by the hard work and knowledge of the 4-H'ers. A HUGE 4-H THANK YOU to these two dedicated judges!

Congratulations to Ghost Peppers with teammates Cara Grahn, Tim Hershey, and Bailey Dove, who are challenging themselves to compete at States during Virginia 4-H State Congress in June!

Kettle Run 4-H Club Runs in Tunnel to Towers 5K

Prince William 4-H's Kettle Run Club youth combined the 4-H Pillars of Healthy Living and Citizenship as they ran in the Tunnel to Towers 5K on Sunday, April 28th at Pfitzner Stadium in Woodbridge.

According to the event website, "The Tunnel to Towers Run & Walk Series was created to honor the heroic life and death of Stephen Siller, a New York City firefighter (FDNY) who lost his life on September 11, 2001 after strapping on his gear and running through the Brooklyn Battery Tunnel to the Twin Towers. Honor all of those who lost their lives on September 11, 2001 and support our first responders and military who make extraordinary sacrifices in the line of duty!"

2024 National 4-H Congress Applications DUE MAY 6th

Who Should Apply: Prince William 4-H'ers ages 14-19

More information and the application is available through 4-HOnline. [Click here for more info.](#) **Applications due May 6th.**

For more than 100 years, National 4-H Congress has served as the premiere educational and recognition event for senior 4-H members. National 4-H Congress is held in Atlanta, Georgia, November 29 – December 3, 2024. National Congress provides participants an exciting opportunity to explore careers, engage in a variety of quality learning experiences, and have great fun by getting to know other 4-H members from across the country.

Outstanding 4-H members will be selected to represent Virginia at National 4-H Congress. Candidates for selection must be senior 4-H members in the current 4-H year who are able to demonstrate outstanding achievement as a 4-H member in the areas of leadership, citizenship, and personal development.

APPLICATION PROCESS: Virginia 4-H values the life skills that members develop through personal record keeping. An electronic 4-H portfolio, which replaced the 4-H Achievement Record, will serve as the foundation for a 4-H member's application to participate in National 4-H Congress, if selected for an interview. The formal process includes two steps, which are intended to provide the 4-H member learning exercises that reflect an employment application and interview procedure:

- The submission of a written personal resume; and
- For those selected to interview, a presentation of an electronic personal portfolio (detailed information on the electronic portfolio will be provided to all youth selected to be interviewed)

All applications and resumes should be submitted in Google Forms: <https://forms.gle/tnMcWsv9NbR7XLdk7>. Applicants should not send their application or portfolio to the State 4-H Office.

ABOUT PRINCE WILLIAM 4-H

Prince William 4-H is a community of young people across the greater Prince William area who are learning leadership, citizenship, and life skills. Our goal is to help youth grow into capable, responsible, confident members of our community by providing information, opportunities, activities, and events that are educational and fun! In 4-H, we learn by doing! Our programs focus on the 4-H Pillars of Citizenship, STEM, Healthy Living, and Agriculture. In clubs throughout Prince William, our youth conduct youth-led meetings to complete projects, community service, and participate in local and state government events.

There's an **#opportunity4all** in Prince William 4-H! Email 4HPWC@pwcva.gov for more information and to join a club.

Greener Pastures Film Webinar

Date: May 16th

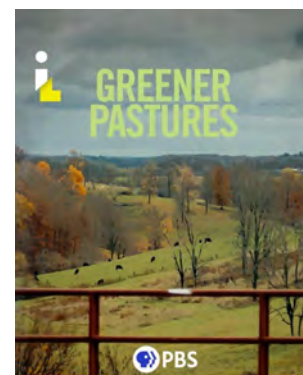

[Click here to register.](#) (FREE)

Please join us for an exclusive opportunity! Watch the film *Greener Pastures* then meet film subjects and experts in the field of mental health

The Documentary Film *Greener Pastures* captures the day-to-day lives of four small, Midwestern, multi-generational family farms over four years. Through an intimate, observational lens we examine the various farm stressors, policies, and politics farmers and their families must maneuver to survive. The film connects the dots between mental health, industrialization, food production, and climate change. It is a story of perseverance, patience, and determination that tackles nothing less than the future of farming in the heartland of America.

* Film link will be emailed after registration to watch individually prior to May 16th discussion webinar.
