PWC 4-H 5K and 1-Mile Fun Run Registration Released

The event we’ve all been waiting for….
The PWC 4-H 5K and 1-Mile Fun Run!

This is our new annual, county-wide fundraiser event and we need YOU!

1. Volunteer: We can’t do this without YOU. We need manpower before and during the race - from bakers, to sponsors, to race set-up and more, our PWC 4-H’ers are needed to take charge and create an exciting event. Be sure to check out the many different possibilities on our Volunteer Page.

2. Recruit Runners: Tell your 4-H Story to your family, friends and neighbors and encourage them to participate in PWC 4-H 5K. Why should they support 4-H? Aside from supporting YOU, they will support over 600 local youth in their strive towards leadership, environmental stewardship, civic engagement, community service and more. Fundraising efforts support local 4-H youth through camp scholarships, funding for state and national leadership events and competitions, and scholarships for continuing educational endeavors. Whether you’re a walker, runner, 1-miler or 5K’er…EVERYONE is encouraged to register!

3. Log Your Miles: Make our PWC 4-H 5K even more impactful! Join Team #Pwc4h on Charity Miles and invite your family, friends and neighbors to join. It’s free! Not only will they be supporting the youth in PWC 4-H by participating in the race, but their steps will turn into dollars to support our local food banks through Feeding America - it’s DOUBLE the community service!

Embryology Update
The chicks are being dropped off at the PWC Fairgrounds and are so CUTE! Thanks to all who participated and discovered the excitement of embryology. Poultry Farmer Cloe is working with many to conduct a second hatch. Stay tuned for more information at the PWC 4-H Embryology Project Facebook Page!

Clover Connections
Greetings from Postmaster Cloe! We don't have any new postcards to report, but we do have one still on its way to Germany! Here are some other new things to check out on our Clover Connections Padlet Page:

- **Letterlocking:** Before mass-produced envelopes, people kept their letters secret by using folds, slits, and wax seals. Learn how to secure your

- **Letter Stitching:** Learn how to use needles and thread to make a unique card for someone!

- **TRAVEL JOURNAL IDEA!** Are you planning a trip this summer? Try this neat idea to remember your adventures and have a special souvenir!

- Want to join in the fun? Click here to register to receive the Padlet Link to PWC 4-H’s Clover Connections and discover the world of the United States Postal Service!
TRAVIS’ RACE TRAINING TIP - DO YOU NEED A SPORTS DRINK?

People drink sports drinks because they have electrolytes. Electrolytes are minerals in your body that make sure that your nerves, muscles, the heart, and the brain work the way they should. When you work out for a long time (90 minutes or more) or work out very intensely, you sweat out electrolytes. That’s when we drink sports drinks. But not all sports drinks are the same. A lot of sports drinks have tons of sugar in them which makes them unhealthy. By reading the label we can see which sports drinks have little or no sugar, so we can help our body the right way! The best way for our bodies to get electrolytes, however, is fruit!

Crocheting for a Cause - NEW LEARNING OPPORTUNITIES!

Back by popular demand! Kayla Dixon of PWC 4-H Nokesville Equestrian Club will host a second session of Zoom meetings to get your creativity working towards a great cause! The new sessions are perfect for 4-H’ers that are experienced or new to crocheting. The purpose of her Service Learning Project is for 4-H’ers to learn the basics of crocheting, create a scarf and donate the items to a charity. 4-H’ers are welcome to join in at any time! Crochet hooks and yarn are available from PWC 4-H. Please [click here to register for Crocheting for a Cause](#) and receive information on supplies and meeting links.

**Session Dates:**

- Thursday, April 8th - 6:30 pm, in-person supply pick-up @ McCoy Building
- Thursday, April 15th - 7 pm, Zoom
- Thursday, April 22nd - 7 pm, Zoom
PWC Community Service Barn Spring Clean-Up

**Date:** Friday, April 2nd  
**Time:** 10 am - 4 pm (partial time slots available)  
**Location:** Bristow, VA

Click here for the Sign Up Genius. If all slots are full, please contact Lauren through Sign Up Genius for additional opportunities to be involved in this worthy project.

Lauren Byrd of Nokesville 4-H Equestrian Club is organizing a community service day at a local barn to support a PWC resident who is battling terminal cancer. This is an opportunity for Prince William 4-H to support a local resident in need of some kind, caring and loving hands, as well as an opportunity to earn community service hours. This event is for horse lovers as well as those not experienced with horses. Please consider sharing with your member families.

PWC 4-H Paper Clover Campaign

The Paper Clover Fundraising Campaign is a semi-annual event held in partnership with Tractor Supply Co. and National 4-H. During Paper Clover, TSC invites friends and family to support 4-H by donating $1 at checkout in stores to support sending youth in Virginia to 4-H camp, State 4-H Congress, and other leadership experiences.

Tractor Supply will once again be holding their Paper Clover Campaign along with National 4-H during April 28-May 10, 2021. Because we are still not able to hold in-person campaigns we are asking clubs to create a small poster (legal size paper up to half size poster board) display featuring their accomplishments this past year. A possible theme could be “RESILIENCY”; something you’ve all had experience with this year! Posters will be displayed at the Manassas TSC store on Balls Ford Road.

We know that patrons tend to donate more often when 4-Hers are there in person, so let’s show them the best way we can under the circumstances. Let’s show them just how resilient 4-Hers are! 4-H Clubs earn a large percentage of the proceeds from this event to use towards camps, State Congress, and other leadership opportunities. Sign up below to let us know we can count on your display(s), and please contact us at the 4-H Office if you have any questions about this year’s campaign.

4-H Northern District Contest Day Reminders

- The deadline to register and upload videos for the Northern District Virtual Contests is April 10th. The one exception to this deadline is the Extemporaneous Speaking Contest which has a registration deadline of April 8th so that participants can perform their speeches live on April 9th or 10th.

- This website includes guidelines, examples of videos, and registration forms for all contests. 4-H’ers register and upload their videos through this site. Please click here to view the Northern District Virtual Contest Website.

- We are still in need of judges for the virtual contests. Please register to be a judge by April 1st. Virtual judges need to be available to judge videos between April 10 and 14. Click here to Register to be a VIRTUAL Judge.

Virginia 4-H Congress Across the Commonwealth - Save the Date!

**Date:** June 25-27, 2021  
**Location:** Northern Virginia 4-H Educational Center (for Northern District Participants)

The 4-H Congress Leadership Team is working to put together a great, high quality educational leadership program for our participants that will provide the same level of learning and fun that is typically experienced with Congress in Blacksburg. We anticipate utilizing updated technologies at the 4-H centers to provide synchronous virtual programming for statewide assemblies and workshops, as well as giving districts ample time to provide their own in-person programs on site. Competitions will occur virtually outside of Congress, as was the case last year, and winners will be announced at the conclusion of Congress along with the annual Share the Fun Show. Also like last year, the Virginia 4-H All Stars will have time to conduct a virtual welcome ceremony – although we will not be able to conduct in-person tapping ceremonies at each location due to our safety guidelines. Housing, meals, social activities, etc. will follow the same health and safety guidelines at each center as we are using for 4-H camps.

More information coming soon! Registration is expected to open April 27th.

VA Youth Beef Challenge & State 4-H and FFA Tractor Driving Contests

- **April 26th:** Ms. Ridhi Deo, Ph.D. Fellow, Predictive Healthcare Analytics and Biomedical Instrumentation
- **April 28th:** Dr. Bailey Zwarycz, Intestinal Stem Cell Senior Scientist, ALTIS Biosystems

Updates are also posted on the VA 4-H State Facebook Page.

**Pathways for Future Engineers Program at VT Invites Applications**

Rising 10th -12th grade students in Virginia who had neither parent graduate from a four-year college are invited to apply to become a Pathways Scholar through the Pathways for Future Engineers program in the Virginia Tech College of Engineering. The Pathways Scholar program is an all-expenses covered program in the Center for the Enhancement of Engineering Diversity that supports first-generation students and their families on the pathway from high school to an engineering degree.

The Pathways Scholar program includes the following:

- **Summer Program:** Our 2021 Cohort of Pathways Scholars will receive full scholarships to attend our Pathways 2020 Summer program, an online engineering experience, scheduled for July 25th – August 7th. This virtual experience will explore different academic and research programs in the College of Engineering at Virginia Tech and will include online engineering activities and visits with engineering professionals throughout the state of Virginia and beyond. In addition, all students will participate in a team-based, problem-solving design experience in conjunction with the Virginia Department of Transportation with support from engineering students and professionals. Take a look at what Pathways did in Summer of 2020!
- **Campus Visits (as conditions allow):** Multiple opportunities to attend campus events and meet College of Engineering faculty and students leading up to college with all expenses covered for Pathways Scholars and a Pathways Partner (e.g., a parent, teacher, mentor, or other significant adult).
- **College Application Support:** Students in the Pathways Program will receive special invitations to events and opportunities hosted by Virginia Tech staff that will include early application reviews, conversations on financial aid, and strategies for college planning.
- **Mentoring Programs:** Students in the Pathways for Future Engineers program will have the opportunity to be mentored by previous Pathways participants who are current Virginia Tech students as they prepare for college and develop a deeper interest in engineering. Additionally, Pathways will offer opportunities to connect with Virginia Tech faculty and professionals throughout the year.
- **All Program Costs Covered for Pathways Scholars:** Students selected as Pathways Scholars participate in pathways experiences for free.

CLICK HERE TO APPLY. APPLICATIONS DUE BY MAY 1st.
