A NATIONALLY ACCREDITED LAW ENFORCEMENT AGENCY

WHAT IS THE COMMUNITY POLICE ACADEMY?

The Community Police Academy gives residents an overview of the Prince William County Police Department. Graduates of the course will have a better understanding of the operation of the Department, and a greater awareness and appreciation of the challenges and decisions faced by police officers each day.

The eight-week program meets one night a week and consists of classroom and hands-on instruction. Topics to be covered include virtually every aspect of police work including

- Patrol Operations
- Criminal Investigations
- Tactical Operations
- Crime Scene Management
- Professional Standards
- Special Operations

In addition, participants will be given the opportunity to ride a shift with a patrol officer and be familiarized with police equipment including firearms.

The Prince William County Police Department was formed on July 1, 1970 with fewer than 50 personnel. Today, the Police Department is nationally accredited with over 700 full-time sworn members serving a County which stretches 348 square miles and an estimated population of over 469,000 residents.

WHY SHOULD I PARTICIPATE?

Past participants have various reasons as to why they attended:

- Wanted to better understand their role with the police
- Debunk police depictions on TV and in the movies
- Seek better insight into the profession
- Possible interest in volunteering with the Department
- Ask questions based on recent events and news coverage

Whatever your reason for wanting to participate, we are continuously looking for attendees of the next Community Police Academy.

Please join us in our upcoming session to learn about more about the Prince William County Police Department.

COMMUNITY POLICE ACADEMY ALUMNI

Graduates of the Community Police Academy have an opportunity to join the **Prince William County Community Police Academy Alumni Association (PWCCPAAA)**.

The **PWCCPAAA** gives our residents a way to continue learning about the Department and support law enforcement in our community.

Alumni Association meetings are held monthly featuring a guest speaker who presents information about new Police Department programs or other topics of interest. Additionally, the Chief of Police normally addresses the general membership once per year.
