

# HOUSING, EQUITY, AND RACE

## FAIR HOUSING IN THE DMV

### HOW DO WE EXPAND OUR CHOICES IN WHERE WE LIVE?

How do we expand our choices in where we live? Metropolitan Washington Council of Governments (COG), in collaboration with Challenging Racism, is hosting a set of regional dialogues on the intersection of housing, transportation, environment, and race.

The dialogues will help inform a regional fair housing plan. The program will engage participants while learning about the history of housing and race, include small group discussion and storytellers from a variety of backgrounds. Each session will be 2.5 hours and hosted on Zoom by Challenging Racism. The program is free and open to the public but does require registration.

### THE PROGRAM IS FREE AND OPEN TO THE PUBLIC.

Select one of three free workshops.  
Registration required.
