# Vaccine Appointment Updates

- Text your zip code to “GETVAX” (438829)
  - System will reply with contact/registration info for the vaccine clinics near you.
  - Offers free rideshare assistance from Uber and Lyft if needed.
- [Vaccinate.virginia.gov](https://vaccinate.virginia.gov) directs to VASE+ to search for appointments at VDH-run clinics, including the CVC.
- [Vaccines.gov](https://vaccines.gov) has links to appointments for other healthcare and pharmacy providers.
  - Anyone can go to any VDH-operated clinic to receive their 2nd dose regardless of where they got their first dose.
  - You must receive the same vaccine for both doses; Pfizer and Moderna are NOT interchangeable.
- 877-VAX-IN-VA is still available from 8 a.m. to 6 p.m. Monday-Saturday.

# Vaccine Availability and Initiatives

- Community Vaccination Center – Gander Mountain
  - Last day of operations is June 25<sup>th</sup>
- PWHD Manassas Mall Clinic Updates
  - Now providing Pfizer two days a week; Moderna offered three days a week
    - Appointment will note which vaccine is being offered.
- Homebound vaccinations continue:
  - Both Pfizer and Moderna available for homebound use.
  - Email: [PWHDPR@vdh.virginia.gov](mailto:PWHDPR@vdh.virginia.gov)
  - Phone: 1-877-VAX-IN-VA
  - For each person, provide: name, DOB, address, vaccine preference, email and any comments.
  - PWHD considers homebound patients to be those that cannot leave the house for a healthcare related encounter without assistance of 2 or more people.
    - For example, if one caregiver could handle getting the individual to a doctor's appointment, we would NOT consider that person "homebound".
    - The need for help with transportation also does not make someone homebound.
