**Introducing Our New Clover (bud) Club!**

**Clover Club**  
**Saturday, October 23rd, 10 am - 12 pm**  
4-H Children's Barn, PWC Fairgrounds  
[Click here to sign up](#)

Come join us for 2 hours of pure 4-H fun for youth age 5 to age 8. Youth will be involved in noncompetitive group activities learning life skills, which include getting along with others and feeling good about themselves. Typically, 4-H Cloverbud children explore these subject areas: healthy lifestyle, environmental and earth science, citizenship and civic education, plants and animals, consumerism and family science, science and technology, personal development, and community and expressive arts. Each monthly meeting will explore a new subject area! **Come meet new friends and learn about the possibilities in 4-H!**

**Save the Date! Important Youth Training Opportunities**

**Food Challenge Training**  
**Tuesday, November 2nd**  
[Signup Coming Soon](#)  
Zoom link will be sent after registration

It's time to pull together your teams! Join us on Zoom for an orientation to the county, district, and state 4-H Food Challenge Contests. The meeting will have a quick overview of the opportunities available this year, updates on changes to the rules, and helpful hints and tips on what to expect. Anyone interested in participating in the challenges should attend!

**Activate your tastebuds with this recipe!**  
Celebrity Chef Aarón Sánchez and NC 4-H’er Guillermo Estrada teamed up for Hispanic Heritage Month to make chicken with a “Chipotle Love” sauce and sauteed hominy with pico de gallo. Thanks to the Walmart Foundation, you can download the recipe and cook alongside one of our favorite Food Network Chefs as he guides Guillermo through making the dish! [Click here for the recipe and video from 4-H](#).

**Youth Officer Training**  
**Monday, November 15th, 7 pm**  
McCoart Building, 1 County Complex Ct, Woodbridge  
[Signup Coming Soon](#)

This in-person meeting is an interactive meeting for current youth officers, newly elected youth officers, anyone interested in becoming an officer, or anyone interested in learning about the roles of 4-H youth officers in clubs, county, district and state levels.
4-H To-Go Learning Activity Kits Delivered!

A huge THANKS goes out to all of the PWC 4-H’ers who volunteered their time to our community service activity! All of our helping hands created hundreds of 4-H To-Go Learning Activity Kits that will be distributed by the Library to provide free, fun, creative, hands-on learning to the youth in Prince William County.

An extra shout-out goes to Jimmie Auldridge, Nokesville 4-H Club, for gathering up all of the completed kits and delivering them to the Library.

**Still Needed:** Volunteers to cut fleece for dog toys for “Read to a Dog” for the library. Please contact Kristin Saul to arrange fabric pick-up.

---

**Toiletry Donations Needed!** Support Kayla’s 4-H Service Learning Project

Crocheting for a Cause group led by PWC 4-H’er Kayla Dixon is collecting items for toiletry gift bags in partnership with Volunteer Prince William and Meals on Wheels. In addition to our 4-H-made wash cloths, the youth are collecting 18 individual items for the giftbags. Individually wrapped items needed include: Chapstick, hard candies, travel size hand lotion, nail files, and bar soap. Please drop off donations at the PWC 4-H Office by October 15th.

Please DO NOT re-enroll in 4-H Online until after October 14th. The 4-H Online membership system will be closed for its annual backup and updates from September 24th through October 14th. We will let you know when it’s time to re-enroll and the steps to re-enroll at that time.
October is Citizenship Month at Prince William 4-H!

- What can you do to learn more about citizenship and how you can do more in what you do?
- What can you do to create positive change in your community?
- How can you contribute more as a “team player” to your team, clubs, and groups?
- How can you be a better leader?

We’re here to help you!

Join us for our fun-filled Citizenship Community Nights and learn how you can incorporate citizenship into everything you do!

**Notes:**
Welcome Back to Move it Monday! Let’s get moving and have fun with our 4-H friends. We will learn about nutrition, physical activity and keep a project record. We will start training for a 5K in March! Youth should get at least 60 minutes of moderate to vigorous physical activity daily. Does not have to be all at once - can occur throughout the day. **Daily activities are from Shape America calendar. (Full calendar can be found in weekly 4-H newsletter)
VT Kids’ Tech University - Registration Opens October 18th!

Mark your calendars! This event fills quickly. There is a $65 registration fee. Click here for details and to register on or after October 18th.

The 2022 program features four Virginia Tech professors presenting interactive sessions. Participants will receive home packets with hands-on activities that kids and parents will do with VT undergraduates virtually. Kids’ Tech University accepts 350 enthusiastic learners ages 9 - 12 (as of September 30, 2021) on a first-come, first-served basis.

2022 Program of Events
January 29 - 2022 KTU Session 1: In this interactive session will learn about various chemical reactions and why they are important in today's world. After the session we will use a battery and salt water to do oxidation/reduction chemistry.

February 26 - 2022 KTU Session 2: Dr. Rau will talk about how the nervous system responds to injury. After the talk we will make a robotic arm using straws, twine and tape.

March 19 - 2022 KTU Session 3: In this talk we will be ecology and disease. During the hands-on portion we will investigate how animals/insects use color to hide from predators and make our own animal/insect.

April 2 - 2022 KTU Session 4: During this talk we will talk the various engineering design teams at Virginia Tech. After the talk we will build your own motorized boat.

Virginia 4-H: Youth In Action Nominations Open

Virginia 4-H has opened up their request for nominations for their annual Virginia 4-H Youth in Action Awards. This year’s process is different, in that the youth themselves may apply directly for the award. However, they are now required to obtain a letter of reference from their Extension Agent (or the VCE professional responsible for 4-H in their Unit). Youth are asked to apply in the pillar areas of Agriculture, Civic Engagement, Healthy Living, and STEM. One pillar winner will be chosen from each area, as well as an overall state winner from the four pillar winners. Any 4-H member in Virginia ages 15-18 is eligible to be nominated.

Each of the four winners will receive:

• A $500 mini-grant to develop a significant community project.
• Recognition at a formal award ceremony.
• A full scholarship to attend Virginia 4-H State Congress the week of June 20, 2022, in Blacksburg, VA.
• An opportunity to be featured as the Virginia 4-H Youth Spokesperson for their pillar area.
• An opportunity to represent Virginia 4-H at the national summit for their pillar area.
• Support and mentorship to apply for the 2023 National 4-H Youth in Action Awards.
• An official reference letter from the Virginia State 4-H Program Leader, Jeremy C. Johnson

Previous winners are not eligible, but a nominee that was not selected last year may apply again.

Applications are due Friday, October 29th.
Click here for details on how to apply/nominate.

National 4-H: October STEM Month - Galactic Quest

Galactic Quest Game Show
Wednesday, October 27th, 8 pm
Click here to participate in the virtual competition.

October marks 4-H STEM Challenge month, a time when we empower young people to tackle scientific and engineering problems faced by today’s top STEM professionals. This year’s challenge is Galactic Quest, a journey to space with hands-on activities covering topics like cyberspace, space ethics, and space agriculture.

We invite you to join the fun by playing along during our Galactic Quest Game Show. Marcus Scribner, star of ABC’s hit show Black-ish will host a virtual competition on Facebook Live to see who knows the most space trivia. To play, simply tune into 4-H’s Facebook page on Wednesday, October 27 at 8:00 p.m. EST and share your answers in the comment sections. The first-place winner will receive $1,000, an exclusive mentorship call from a USSF Guardian, and a behind-the-scenes virtual tour of the Air Force Academy.

We hope to see you there and feel free to tell your friends!

Fire Safety Curriculum

National Fire Prevention Week was October 3rd - 9th. The National Fire Prevention Association has activities and videos for all ages to promote fire prevention and safety.

Click here for NFPA curriculum materials.

Water Conservation Curriculum

The PWC Service Authority is proud to offer its H2Go Kids Virtual Classroom presentations. Offering eight SOL-related lessons either LIVE via video conferencing software or as a pre-recorded video with companion activity sheets, the exciting and educational world of drinking water and wastewater will come straight to your home or remote classroom.

Please click here to visit the PWC Service Authority Virtual Classroom.

4-H Curriculum: There's No New Water!

There's No New Water! begins with an exploration of the natural water cycle; explores human interventions that affect water quality and quantity; examines the effects of the urban/rural interface on water quality and quantity; includes the identification and implementation of service-learning projects that address local water conservation issues; and culminates with a set of activities for younger youth and families designed to be led by teens as teachers.
