The Prince William Health District What You Should Know

FDA Authorizes And CDC Recommends A Second Booster For Older People And Certain Immunocompromised Individuals

On March 29, 2022, the F.D.A. [authorized](#) a second booster dose of either the Pfizer-BioNTech vaccine or the Moderna vaccine (mRNA vaccines) for older people and certain immunocompromised individuals.

- FDA amended the emergency use authorization and CDC updated guidance:
 - People ages 12 years and older who are moderately or severely immunocompromised may choose to receive a second booster dose using an mRNA COVID-19 vaccine at least 4 months after the first booster dose.
 - Adults ages 50 years and older who are **not** moderately or severely immunocompromised may choose to receive a second booster dose using an mRNA COVID-19 vaccine at least 4 months after the first booster dose.
 - Adults ages 18–49 years who are **not** moderately or severely immunocompromised and who received Janssen COVID-19 Vaccine as both their primary series dose and booster dose may receive a second booster dose using an mRNA COVID-19 vaccine at least 4 months after the first Janssen booster dose.
 - If the adult is ages 18-49 and received a J&J primary dose and an mRNA booster, no 2nd booster is currently recommended.
 - If the adult is ages 50+ and received a J&J primary dose and an mRNA booster, they can receive a 2nd mRNA booster 4 months after the previous booster dose.
 - Click here for updated [recommendations](#).

Schools and Community-Based Organizations can now request a Pharmacy Precision Clinic (PPC) via REDCap Survey

These requests will be considered based on COVID-19 vaccine needs and PPC capacity. This survey is to make it easier for schools and community-based organizations to request a PPC to serve their client needs. To request a PPC fill out the REDCap survey found [here](#).

Prince William Health District Covid-19 Testing Services

Residents can schedule an appointment or find testing by visiting the scheduling [website](#), visit the PWHHD website <https://www.vdh.virginia.gov/prince-william/3293-2/> or call 1-877-VAX-IN-VA ((877-829-4682, TTY users call 7-1-1), Monday through Friday from 8 a.m. to 6 p.m. Assistance is available in English, Spanish, and more than 100 other languages.
