

# All-Hazards Position Specific Logistics Section Chief (LSC) Training

**Monday October 31 – Friday November 4, 2022**

**8:00 a.m. – 4:00 p.m.**

**In – Person**

**Training Description:** This five day (30 hour) in-person EPA Region 3-sponsored course will be hosted by District of Columbia Water and Sewer Authority (DC Water) will provide local- and state/district- level emergency responders in the National Capital Region (NCR) with a robust understanding of the duties, responsibilities, and capabilities of an effective Logistics Section Chief (LSC) on an All-Hazards Incident Management Team (AHIMT).

This course is an instructor-led training that supports learning through discussion, lecture, and active participation in multiple exercises that provides a realistic, scenario-driven approach to mastering the skills required of an LSC. Exercises/simulations, discussions, and a final exam enable participants to process and apply their new knowledge.

**Who Should Attend:** National Incident Management System (NIMS) Incident Command System (ICS) All-Hazards training should be completed by personnel who are regularly assigned to Functional, Support, or Unit Leader positions on Type 3 or 4 AHIMTs (i.e., DC Water's Incident Management Team (IMT), or by those persons who desire to seek credentials/certification in those positions. Please carefully review the [registration page](#) for a detailed listed of required course pre-requisites.

**Student ID Number (SID):** A FEMA SID is required to register for and participate in any training provided by FEMA. The FEMA SID will serve as your unique identifier and be used to maintain the record of FEMA training you attended. To obtain a SID go to: <https://cdp.dhs.gov/femasid>.

## **Training Objectives:**

1. Learn to respond to the incident and the command needs of the incident.
2. Effectively fulfill the position responsibilities of an LSC on an AHIMT.

**Training Location:** DC Waters' Central Operations Facility (COF) Boardroom at the Blue Plains Advanced Wastewater Treatment Plant, located at 5000 Overlook Ave SW, Washington, DC 20032.

## **Training Registration:**
