Summer Design Challenge

Create a design around the theme "All Together Now." Entries will be judged on creativity, originality, technique, and emotional impact.

Two winning entries will be used to decorate tote bags as part of PWPL's Summer Reading Program.

Artwork should be line style with no shading, one color, and may be hand-drawn or digital. Digital artwork may be submitted in the following formats:

.ai or .eps
.jpeg or .png
.pdf

For hand-drawn entries, please use this form and do not cut out the design. Submit the entire sheet of paper. Please note that hand-drawn/paper entries will not be returned.

Limit three entries per person.

The deadline for entries is Friday, March 31.

By submitting an entry, you are agreeing to allow Prince William Public Libraries to use your art for promotional purposes.
