**Commonwealth of Virginia v. Jordan Anderson**

On December 26, 2019, at approximately 2:30 am, Jordan Anderson and another individual entered the Denny's on Sudley Road with the intent to rob its occupants. The evidence showed that during the incident, Mr. Anderson and his companion held the employees and patrons of the Denny's against their will while attempting to get money from the Denny's. Mr. Anderson, as he was leaving, shot and severely wounded a patron of the restaurant. Upon exiting the building, Mr. Anderson also shot Mr. Yusuf Ozgur, a food delivery driver arriving to pick up an order. Despite the emergency medical intervention Mr. Ozgur received, he succumbed to his injuries and passed away.

The case was prosecuted by Commonwealth's Attorney Amy Ashworth, Chief Deputy Commonwealth's Attorney Kristina Robinson, and Senior Assistant Commonwealth's Attorney Christian Malott. The Office of the Commonwealth's Attorney would like to recognize Sara Vutiprichar, Deputy Director of the Commonwealth's Attorney's Victim/Witness Program, for the invaluable assistance she provided the victims and their families and Staff Attorney Kimberly Hackbarth for her assistance with pretrial and trial motions. We also want to recognize the hard work of the Prince William County Police Department, the Federal Bureau of Investigation, and the Bureau of Alcohol, Tobacco, and Firearms during the investigation.

Amy Ashworth, Commonwealth's Attorney, offered the following comment about this case:

“The Commonwealth’s Attorney’s Office wishes to thank all those involved that assisted in the successful prosecution of this case. We are satisfied that the sentence of the court sends a clear message that violent gun crime has no place in our community.”
