RE: Address Reassignment Information

Attached are address reassignments which include identification information for properties within Prince William County. Action was taken in accordance with the Prince William County Code, Chapter 24, Article II. Addresses were reassigned in conformance with the uniform county-wide grid system.

By eliminating discrepancies in street names and addresses, the system is instrumental in providing information concerning the location of the property. This information is essential in providing quick and accurate Fire and Police protection, rescue service, and other emergency services required by County residents.

A letter of notification has been sent to property owners and tenants affected by the address change. At this time, County agencies, utility companies, and the U.S. Postal Service are being notified of this change. **Please note that the effective date of the address reassignment is indicated on the subsequent page.** Generally, the effective date is approximately two weeks from the date of this letter.

In the event that you have any questions, you are invited to visit the Geospatial Technology Services office at 5 Country Complex Ct, Suite 270, Woodbridge, VA 22192, email [pwcmaps@pwcva.gov](mailto:pwcmaps@pwcva.gov), or call at **703-792-6840**.
