PW 4-H Young Entrepreneurs Workshop #3

Our Prince William 4-H Young Entrepreneurs met last Thursday for a 3rd educational workshop to further develop their businesses in preparation for their first farmer's market sale on June 8th.

These 23 youth participated in a financial review with fun videos and discussed business marketing. A key component of selling at a farmer's market is the table display and key signage. The young entrepreneurs worked on their business logos, name for their business, marketing tools, and more.

The final pre-market day workshop of the 4-H SPIN project is May 30th.

PW 4-H Teen Leaders Needed!

RESUME BUILDING OPPORTUNITY

Take your creative and crafting skills to a new level by participating on a small team of 4-H'ers designing the 4-H Children's Barn Exhibit for the Prince William County Fair! A team of 6 teens will work together to develop decorations, build props, design activities, and create a flow for fair goers to explore the theme "Reaching New Heights with 4-H." 4-H'ers with experience in theatre set design, art, activity planning, camp counseling, and more, are encouraged to contact DeeAnn Strand at dstrand@pwccgov.org or 703-792-4762 to volunteer.

The Children's Barn Design Team will begin meeting mid-June (date TBD).

Milk Jug Gardening Update: Transplanting Seedlings

Mrs. Hardin at PW 4-H Headquarters has successfully grown asclepius seedlings! Her seedlings have 4 true leaves and were ready to be transplanted. Mrs. Hardin used the new fork method that she learned at CAUSES in DC to separate the milkweed, carefully transplanted them into her garden, and thoroughly watered to help them grow. Most types of milkweed do best in full sun, about 1-2 feet apart, and will tolerate clay soil and temporary flooding.

Milkweed is a beneficial plant to add to gardens. Monarch butterflies lay their eggs on milkweed because it is the only food source for their caterpillars, making it crucial for their survival. Pollinators love milkweed flowers, and so do hummingbirds.

SUPPORT MY 4-H

Mission

Sharing My Love of 4-H

Hello! My name is Alesha Moore and I'm really passionate about helping others and seeing others thrive. When I found out there was an opportunity to conduct a 4-H camp in the Dominican Republic and learn new leadership skills, I was thrilled and excited to help out elementary students and bring smiles to their faces.

The 4-H mission trip is July 16-23, 2024. We'll be conducting a 4-H camp and learning Spanish!

My Goals

My 4-H Mission needs your support! Each participant must raise \$2,500 to attend the trip, which covers their insurance, transportation, accommodations, and meals for the trip. To date, I have raised about \$1,000. Donations can be mailed to or dropped off at 4-H Headquarters. Please consider supporting my 4-H Mission!

Checks can be made out to the Prince William 4-H Association and dropped off or mailed to:
