

Memorandum

Date: May 22, 2024
To: Applicants Requiring Land Use Public Hearings
From: Tanya M. Washington, AICP
Director of Planning
Subject: Updates to March 13, 2024, Calendar of Public Hearing Dates for Planning Commission and Board of County Supervisors

Due to changes to the public hearing schedule for the Planning Commission and Board of County Supervisors and a change in an applicant deadline, the attached Land Use Application Due Dates for Public Hearing Schedule is revised as of May 21, 2024. Please note the following changes:

- The Board of County Supervisors 7:00pm public hearing for July 2, 2024, has been moved to June 11, 2024. The 2:00pm public hearing on July 2, 2024, is still scheduled.
- The Planning Commission meeting scheduled for July 24, 2024, has been rescheduled to July 17, 2024.
- The Applicant presentation for Planning Commission public hearings is now due two days (Monday) prior to the Planning Commission hearing date, rather than five days prior.

The attached schedule aligns the Planning Commission public hearing date with the potential Board of County Supervisors hearing date; however, this does not guarantee that applications will be scheduled for that Board date. The Planning Office will provide a notice to the applicant if their final submission has been accepted and that it is scheduled for a public hearing.

If you have any questions regarding this schedule and associated procedures, please contact the Planning Office at 703-792-7615 or Planning@pwcgov.org.
