

# Calculating Taxes And Personal Property Tax Relief on Personal Use Vehicles - 2025

## 1. Full Vehicle Assessment

**Ex: Full Vehicle Assessment Value = \$45,000**

Prince William County contracts with J.D. Power (NADA). The values used by J.D. Power (NADA) are based on actual transactions and wholesale auctions of vehicles throughout the area for which the guide is published. Most jurisdictions in Virginia use J.D. Power (NADA) to assess vehicles.

## 4. Calculate Personal Property Tax Relief

2025 PPTR = 36%  
PPTR is calculated on the first \$20,000 of the assessed value

**Ex: \$20,000 / \$100 = \$200**  
**\$200 x \$3.70 = \$740**  
**\$740 x .36 = \$266.40**

## 2. Taxes Are Billed per \$100 of the Assessed Value

**Ex: \$45,000 / \$100 = \$450**

## 5. Calculate Tax Amount Due

Subtract PPTRA from Total Taxes Due

**Ex: \$1,665 - \$266.40 = \$1,398.60**

## 3. Calculate Annual Tax Due

2025 Tax Rate = \$3.70  
Multiply tax rate of \$3.70 per \$100 of the assessed value

**Ex: \$450 x \$3.70 = \$1,665.00**

## 6. Add Yearly Registration Fee

Yearly registration fee for motor vehicles = \$33  
Yearly registration fee for motorcycles = \$20

The registration fee is collected as general revenue, budgeted and appropriated by the Board of County Supervisors and is used to fund the police, fire, roads and schools.

## 7. Calculate Total Amount Due

Add Tax Amount Due and Yearly Registration Fee

**Ex: \$1,398.60 + \$33 = \$1,431.60**

PRINCE WILLIAM COUNTY  
Tax Administration - Taxpayer Services  
PO Box 2467  
Woodbridge, VA 22195-2467

**PERSONAL PROPERTY TAX BILL**

**ACCOUNT #**  
DUE: 10/7/2024 AMOUNT: \$1,431.60
