proactively and equitably address climate change and environmental sustainability. The JET will provide a forum for informing, advising, collaborating, and addressing countywide issues and aligning institutional policies and practices pertaining to climate change and environmental sustainability through the equity lens being continuously applied by both the county and the PWCS. In addition, it shall recommend to the Board of County Supervisors and to the School Board funding priorities that are identified by the Community Energy Master Plan (CEMP) and the relevant County and PWCS staff that would benefit from program collaboration between the county and PWCS. As the Taskforce will be a public body, meetings of the Taskforce are subject to the open meetings requirements of the Freedom of Information ACT (FOIA), and the records of the group are likewise subject to FOIA.
