

Prince William County

2025 Dental Benefits

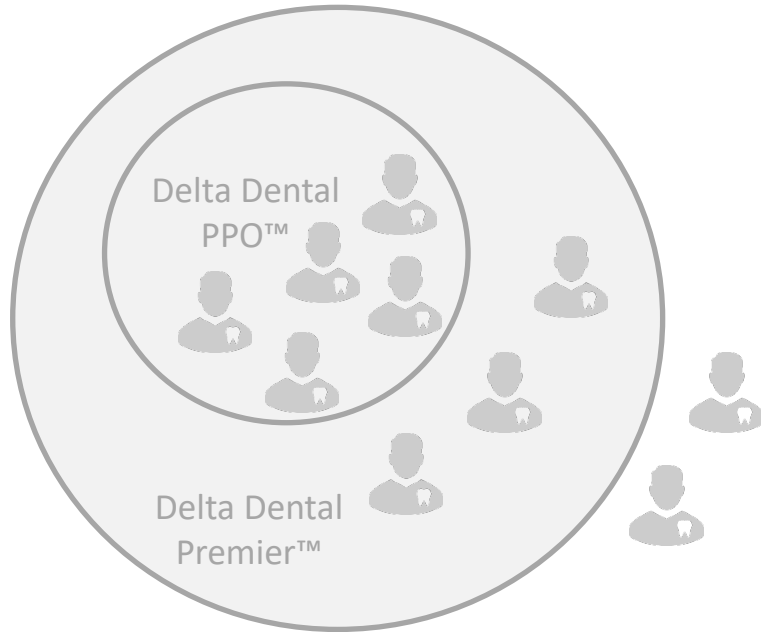

Who is Delta Dental of Virginia?

- Delta Dental of Virginia is a not-for-profit organization whose mission is to improve the public's oral health.
- We have been administering dental plans for 60 years.
- Our networks extend to all 50 states, Puerto Rico, Guam and the U.S. Virgin Islands.

Delta Dental's Networks

- Delta Dental has the largest dental network in the nation. Nearly 8 out of 10 dentists participate nationally.
- There are two networks to choose from – PPO and Premier. The discounts under our PPO network are greater than those provided by the Premier network, so we encourage you to visit a PPO dentist when possible.
- Both Delta Dental PPO and Delta Dental Premier dentists agree to discount their fees, submit claims on your behalf and not bill you for the difference.
