SUMMER READING 2025

June 16–August 17
Preschool–Grade 5

COLOR OUR WORLD™

Let's Color Our World this summer, one story at a time!

To register for Summer Reading, visit any of our 12 libraries, register online at pwcva.gov/library, or use the Beanstack Tracker app on your smartphone.

Use the grid below to track your reading. For every 20 minutes you read, color in a square. After you read for 260 minutes, come into the library for a prize. After 500 minutes, pick out a free book to keep and be entered in a prize drawing. Prizes are available while supplies last.
