Helpful hints

- It is best to go to a store and try shoes on, especially when finding shoes for the first time
- Please do not purchase dance shoes from a non-dance retail store. They are not the proper shoe for the dancer or the floor surface
- Do not purchase satin ballet shoes, only leather or canvas ballet slippers.
- For Tap: online purchase is fine. The shoe is not as form fitting as jazz or ballet, so it is acceptable to buy online without fitting
- Do not buy shoes one size too large so that your child can “grow into them”. For young dancers whose feet grow quickly – a slight pinch of fabric at the toe is acceptable, but should not be visibly too large
- The drawstrings on the ballet slippers (the strings at the front)- **MUST BE KNOTTED, TIED AND EITHER SNIPPED OFF OR SECURELY TUCKED INTO THE SHOE.** The strings are functional and not a decoration. Unsecured shoes are a tripping hazard and cause multiple disruptions during class
