PW 4-H'ers: It's Portfolio Time! Get Ready to Showcase Your Year!

DUE TO PW 4-H OFFICE BY OCTOBER 1ST!

It's time to gather your memories, achievements, and leadership experiences! Every year, 4-H members across the country compile their experiences into a 4-H Portfolio, a creative and personalized way to document your journey. Whether you're just starting out or have years of projects under your belt, this is your chance to shine!

What's a 4-H Portfolio? Think of it as a cherished scrapbook meets career resume. It's a summary of your 4-H career, filled with your projects, leadership roles, and community service. You'll use age-appropriate Project Record Forms and follow the 4-H Portfolio rubric to make sure everything's in tip-top shape.

Who Needs to Submit?

- All Prince William 4-H'ers should submit individual project records or a full portfolio.
- Club Officers and Association Officers must turn in an Officer Project Record Form to get credit for their year of service.
- Dreaming of becoming a Virginia 4-H Ambassador or joining the Virginia 4-H All Stars? You'll need portfolios from several years - so start now!

Need Help? Don't worry - Prince William 4-H has your back! Join the **Portfolio Support Office Hours from Monday, September 8th to Friday, September 12th, 10 AM to 5 PM.** Whether you need help organizing, supplies like binders and scrapbook paper, or just have questions, stop by, call, or email.

Why It Matters: 4-H Portfolios aren't just for fun - they're powerful tools that help build your resume for college, careers, and future leadership roles. Plus, they're a great way to reflect on everything you've learned through 4-H's motto: "Learn by Doing."

So grab your photos, notes, and creativity - your 4-H story deserves to be told! [Click here for the PW 4-H online document center for forms and scoring rubrics.](#)

4-H PROJECTS & PORTFOLIOS

A creative method for youth to document their experiences

Prince William 4-H

LEARN BY DOING

HEAD

Prince William 4-H'ers document their experiences and work each year by using age-appropriate 4-H Project Record Forms. These records are submitted to Prince William 4-H for review and are eligible to compete at the Prince William County Fair and county and state 4-H competitions. Projects begin October 1st and 4-H Project Records are due by the following September 30th. 4-H'ers may choose to submit a record of an individual project (Project Record) or their entire life history (Portfolio).

HEART

Ultimately, your 4-H Project Records will form an excellent summary of your 4-H career. You will use information in the 4-H records to complete 4-H resumés, Virginia 4-H All Star forms and in making application for jobs, scholarships and honors. Your 4-H Portfolio may become a personal scrapbook which will be cherished for many years.

STEPS FOR A 4-H PROJECT

1. Select at least one annual project based on interests.
2. Complete at least 6 learning experiences/activities (*typically found in published 4-H project books*).
3. Record and analyze your learning experience by tracing your progress and emphasizing life skills gained by using the 4-H Project Record form.
4. Submit the completed Project Record to Prince William 4-H for review and scoring against a rubric to see how much you've grown!

WHAT IS A 4-H PORTFOLIO?

Portfolios are a record of the life achievement of a 4-H'er. They create a record of accomplishments which can be very helpful when youth are applying for college and scholarship opportunities. They may include material not directly related to 4-H and should be organized by year. Portfolios consist of multiple years of work (*except for first time submissions*).

Some projects, such as animal projects, shooting education, and archery, have specialized 4-H Project Books that must be completed and submitted prior to participating in 4-H contests for those activities in order to establish basic knowledge, level of experience, and safety.
