Green & Growing: PW 4-H Recognition Day

From Cloverbuds to graduating seniors, Prince William 4-H came together for a lovely evening of celebration and reflection. We honored the dedication, growth, and achievements of our youth members and adult volunteers throughout the 2024-2025 program year.

Families and friends gathered to recognize the incredible efforts of 4-H participants who competed at county, district, state, and even national levels. These accomplishments were thoughtfully documented in portfolios and project record books, showcasing the depth of learning and leadership cultivated across 4-H.

It was a night filled with pride, gratitude, and inspiration - proof that in 4-H, every age and stage is worth celebrating. For this week's newsletter, we would like to feature just a few of the evening's highlights with more details, photos, and link to the slideshow to come in next week's news.

Mastering 4-H Presentation Skills

with Toastmaster's International

We were thrilled to welcome Dr. Doreen Hamilton, and Ms. Linda Walker of Toastmasters International to our Presentation Training session. As we share our 4-H story, they each shared their Toastmasters' journey and how they have grown to love public speaking and encouraging other to become courageous and confident speakers.

As a follow up to the introduction of Toastmasters International, we have been offered the opportunity for interested youth members to participate in the Toastmasters' Youth Leadership Program. The program will be a series of eight sessions or the equivalent of approximately 8 hours. The program is typically designed for ages 14 and up, but Dr. Hamilton has stated that she would be open to younger members attending as well.

Virginia 4-H 2026 Youth in Action - DUE SUNDAY

[Click here for the VA 4-H 2026 Youth in Action Guidelines.](#)

[Click here for online application.](#) **Applications due by Sunday, November 2nd.**

Who Should Apply: ALL Prince William 4-H'ers ages 15-18 with exceptional participation in 4-H

The State 4-H Office is once again pleased to announce this exciting award opportunity for 4-H'ers across Virginia. To provide a similar system to the National 4-H Youth in Action Awards, and to encourage high quality applications for the national awards, the State 4-H Office established the Virginia 4-H Youth in Action Awards Program in 2019. The nomination process is now open for our Class of 2026 Youth in Action winners.

This year's process is similar to last year in that the youth themselves may apply directly for the award. However, they are still required to obtain a letter of reference from their Extension Agent (or the VCE professional responsible for 4-H in their Unit). We hope that this will increase participation in the program, while still ensuring that youth interact with their Extension Office.

Youth may recommend themselves for consideration in one or more of the pillar areas of Agriculture, Civic Engagement, Healthy Living, and STEM. One pillar winner will be chosen from each area. In keeping with the national award system, there will no long be an overall winner chosen from the pillar winners. Any 4-H member in Virginia ages 15-18 is eligible to be nominated. Previous winners are not eligible, but a nominee that was not selected in a previous year may apply again (and they are encouraged to do so).

Each of the four winners will receive:

- A \$500 mini-grant to their Unit to develop a significant community project.
- Recognition at An Evening with Virginia 4-H on January 21, 2026
- A full scholarship to attend Virginia 4-H State Congress June 16-19, 2026, in Blacksburg, VA.
- An opportunity to be featured as the Virginia 4-H Youth Spokesperson for their pillar area.
- An opportunity to represent Virginia 4-H at one or more national events for their pillar area.
- Support and mentorship to apply for the 2027 National 4-H Youth in Action Awards.

Please note that all of the questions that are asked on the online submission form are contained in the guidelines.
