

PWCAC Marketing Committee Meeting

was held on October 14, 2025 at the McCoart Center starting at 6:05

Members of the Committee in attendance:

Alice Mergler, Chair

Herb Williams

Isaiah Luckey

Larissa Miller

Adonis Dorsey

Jackie Thomas

Chris Linton

Donnell Taylor had an excused absence.

This meeting turned out to be very brief due to many interruptions with others using the same room.

Items of business briefly discussed:

*Planning the next meeting . Several dates will be looked into as we search for a place to hold this meeting.

*Planning a date for the Fall Magazine Publication. We agreed on November 28th, so that the Council Members' Holiday Performances can be featured. This is subject to change.

*Alice will get an appointment with Amir, so he knows that a new Committee will be publishing the PWCAC Arts Magazine.

*Dawne, the Planning Committee Chair, who came into the room was consulted about the need for Arts Council "Swag" materials to use for Fall Events, including those for the upcoming Neabsco Park event. She replied that she would get with Carter to assess our needs.

*Alice volunteered to write to our organizations to send articles for the magazine. The date these articles are due was decided to be November 10. This will be announced at tonight's Arts Council meeting.

This Marketing Committee meeting was adjourned at 6:55 to prepare for the Prince William County Arts Council 6:30 meeting.
