## PW 4-H Leading by Speaking SPIN Project: Meeting Recap!

Last week, 4-H Leading by Speaking SPIN Project powered up the energy as members put their brand-new oratory skills to the test! With Toastmasters as our partners, the room was buzzing with confidence, creativity, and a few brave butterflies.

### Special Guests in the House

We were thrilled to welcome two distinguished Toastmasters District Directors—Mr. Earl and Ms. Vicki! Not only did they drop some major public-speaking wisdom, but they also delivered quick speeches and then handed the mic over to the 4-H'ers to evaluate them. Talk about flipping the script! Our members stepped up like pros, giving thoughtful, constructive feedback.

### Youth Board Elections

4-H'ers also showcased what they've been practicing by preparing and delivering campaign speeches to run for the SPIN Project Youth Board. After some strong and passionate oratory, votes were cast and counted. **Meet Your Newly Elected Leaders!**

President: **Charlotte**, Vice President: **Tasneem**, Secretary: **Bruce**, Sergeant-at-Arms: **Jim**

Huge congratulations to all our new officers - we can't wait to see what you'll accomplish!

### Important Schedule Update

**Please note: The January 21st meeting has been canceled due to 4-H Day at the Capitol.**

We'll see everyone back for our next SPIN Project meeting on January 28th, 6-8 PM, at PW 4-H Headquarters.

Get ready for more speaking challenges, leadership fun, and growth!

# Prince William 4-H CLUB REPORT

## Trigger Time 4-H Club

By Rebecca Ahrens, Club Reporter, Trigger Time 4-H Club  
January 21, 2026

In the final match of the National Sporter Air Rifle League Post-Season Invitational Tournament, Trigger Time faced Lafayette Gun Club of Yorktown, Virginia, with the Invitational Championship on the line. Four team members competed: Tanner (573.4), Rebecca (569.7), Lexi (554.8), and Ayden (528.9). Trigger Time posted a total team score of 2226.8, finishing just 8.6 points behind Lafayette's winning score of 2235.4. The match concluded the 2025 season, with Trigger Time earning a 7-3 record, placing 7th in the Champions Division and 3rd in the Junior Rifle Club Conference.

In December, the team competed in the CMP 3PAR National Postal Competition, which allows teams from across the country to qualify for CMP Regionals in April. Nine Trigger Time athletes participated, with the top four scores recorded by Rebecca (277-8), Lexi (274-7), Ayden (264-10), and Tanner (264-8). Additional competitors included Samantha, Steven, Sophie, Lee, and Stella. National results have not yet been released.

This month, Trigger Time also competed in Round 1 of the American Legion Postal Championship at American Legion Post 10 in Manassas. Junior teams must be sponsored by a local American Legion Post to participate. Athletes scoring 530 or higher advance to Round 2, and from there, the top 15 individuals earn invitations to the American Legion Nationals in July at Hillsdale College in Michigan. The team's top four scores were recorded by Rebecca (562-17), Lexi (557-21), Tanner (538-10), and Ayden (520-9). With scores above the qualifying minimum, Rebecca, Lexi, and Tanner advanced to the second round. Samantha, Sophie, Lee, and Stella also represented the team in the match.

Trigger Time extends its sincere thanks to American Legion Post 10 for its sponsorship and continued support, which made participation in this event possible.
