Number of Members by Race: \_\_\_\_\_ White \_\_\_\_\_ Black \_\_\_\_\_ Hispanic \_\_\_\_\_ Asian \_\_\_\_\_ American Indian

\_\_\_\_\_ Native Hawaiian or Pacific Islander \_\_\_\_\_ Other

Number of Members by Gender: \_\_\_\_\_ Female \_\_\_\_\_ Male

During this past year, this club or organization had balanced membership that was integrated by race and gender (refer to the definition of balanced membership below).

By Race: ☐ Yes ☐ No By Gender: ☐ Yes ☐ No

**Balanced membership** is met when the racial and gender composition of the club or organization is exactly proportional to that of the population of the membership area. Even if a 4-H club or organization does not have balanced membership for a majority of those under-represented group categories present in the membership area, the program can be deemed to be in compliance if the club or organization leaders, in collaboration with the appropriate Extension professional can demonstrate that "all reasonable efforts" have been made to achieve balanced membership within the group. Examples of "all reasonable efforts" are listed below.

IF NOT IN COMPLIANCE for race and/or gender, use the table below to document what reasonable efforts your club or organization utilized this past year to comply. What efforts do you plan to use this next year? Check those items that apply.

*(Documentation of past reasonable efforts should be on file in the Virginia Cooperative Extension office where this club or organization is based.)*
