## ABOUT FFM

FFM delivers safe, reliable, and sustainable facilities and fleet services that power Prince William County's day to day operations. From public buildings & grounds to fleet vehicles & infrastructure assets, our 6 divisions work together to serve our community.

## FFM CAREER PATHWAYS

- Architecture & Design
- Budget & Financial Services
- Construction Management
- Engineering
- Fleet Management & Automotive Technology
- Graphic Design & Communication
- Property & Asset Management
- Security Management
- Skilled Trades & Technical Services

## WHAT TO EXPECT

FFM CareerEX is a 50-hour non-paid internship focused on public service and local government operations with a front-row view of FFM careers

- Facility tours - observe daily operations, service delivery, and decision-making across multiple County agencies
- Build career readiness skills through hands-on training and collaborative team-building activities
- Engage with County leaders to discuss governance, civic responsibility, and the legislative process

### Upon successful completion:

- We celebrate your accomplishment in a formal completion ceremony
- Interns receive a certificate of completion documenting 50 hours of work experience
