Old Business: None

New Business:

- K Boddye and G Manno provided an update on potential Dominion parking lot solar canopy pilot project. Plans to have a Dominion representative to attend a future meeting to discuss more details on the projects.
- G Manno discussed the Sustainability and Resilience Comprehensive Plan Amendment public meetings. First meeting was held on February 18th. The next two are scheduled for February 26th and March 4th.
- G Manno announced the development of the county's first Environmental Sustainability Annual Report. The report will cover partnerships and collaborations, schools annual

report, county high priority actions and how it aligns with the strategic plan, and measurable progressions.

- J Boeder provided an update on Earth Month plans for the county. Future outreach events will be held including a tree seedling giveaway, a native garden planting day, and an EV test drive event. Schools will be holding their second annual Student Environmental Action Showcase event at Woodbridge High School.
- G Manno provided a summary of the Pink Space Theory STEM event.

Member Time:

- P Thacker updated on the outcome of the Native Plant Symposium.
- C Barbour updated on the Sustainability Commission meeting their 2025 report.
- J Boeder mentioned managing the county's internal compliance program, the Environmental Council, with the DEQ VEEP Certification. The Environmental Council will be doing short videos on pollution with DEQ's Pollution Prevention Office Met with Office of Sustainability and aligned goals of the Environmental Council with the CESMP and county Strategic Plan.

Departmental Reports:

- G Manno shared the Climate Risk and Resiliency Manager position is posted and asked if everyone could fill out the Sustainability and Resilience Comprehensive Plan Amendment survey that will be distributed.
- J Weimer updated the School Board approved the Superintendents 2030 Strategic Plan that includes 6 sustainability goals.

Meeting Adjourned at 7:00 PM
