Get Started Today

Visit tax.pwcgov.org or scan the QR Code to:

1. Create or log in to your online account
2. Verify or update your email address
3. Start filing electronically

USPS Postmark Update-Important for Time-Sensitive Filings: The USPS has clarified that a postmark reflects the date of automated processing, not necessarily the date the **mail was dropped off**. This may affect proof of timely filing, including tax documents and payments. To ensure same-day proof of mailing, customers should request a manual postmark at a retail counter or obtain a Certificate of Mailing, a Certified Mail receipt, or a Registered Mail receipt.

Thank You for Your Business

We appreciate the opportunity to serve you and thank you for partnering with us as we modernize our services to better meet your needs.

If you need assistance, please contact us at **703-792-6710** or taxpayerservices@pwcgov.org.
