DISCUSSION ITEMS:

A. The FY26 2nd Quarter Accounts Receivable Report – Mike Goodrich

Performance is consistent with the average of the previous five quarters. The Reimbursement team is now fully staffed and continues working closely with clinical staff to ensure services are properly submitted for reimbursement. The “Fees Due” report reflects a significant outstanding balance this is primarily due to the recent 5 location change. Although licenses have been approved, certification from the state Department of Medical Assistance Services (DMAS) and the Managed Care Organizations (MCOs) is still pending. These approvals can take up to 90 days. As a result, the related outstanding amounts are not expected to be collected until Q4 of FY2026.

B. The FY26 2nd Quarter Services Report – Michael Goodrich

Total unduplicated clients decreased by 7.2% compared to FY25. Adult Services showed mixed trends, with growth in Intensive Case Management and Developmental Services, but declines in CORP and Vocational Services.
