Thursday, July 30, 2026, 6-8 p.m.

Washington Manassas Airport

10600 Harry J Parrish Boulevard, Manassas, VA 20110

The Prince William County Department of Transportation (PWC DOT) in collaboration with the Virginia Department of Transportation (VDOT) and the City of Manassas will conduct a Public Information Meeting for the Prince William Parkway (Route 234) and Clover Hill Road (Route 3235) Interchange Project in the lobby of the **Washington Manassas Airport, 10600 Harry J Parrish Boulevard, Manassas, VA 20110, from 6 p.m. to 8 p.m. on Thursday, July 30, 2026.** Representatives from Prince William County and the City of Manassas along with the design team will be present to discuss the project's conceptual design. The project team will make a formal presentation beginning at **6:30 p.m.** and will answer questions for the duration of the meeting.

The project's proposed improvements include constructing a Diverging Diamond Interchange at the intersection of Prince William Parkway and Clover Hill Road, a roundabout at the intersection of Clover Hill Road and Godwin Drive, an Americans with Disabilities Act-compliant shared-use path with ramps on both sides of Clover Hill Road, stormwater drainage pipes and inlets, culvert extensions, storm water management facilities, signs and pavement markings, pedestrian signals, and traffic signals. The Project aims to improve traffic and corridor operations and safety, as well as provide connectivity and accessibility for bicycles and pedestrians. This initiative aligns with the goals and objectives of the County's mobility plan.
