August 2026 Newsletter

Happy Senior Citizens Day!

Observing this day annually on August 21, by recognizing their wisdom, resilience, and achievements, we foster a more inclusive society that values every generation. Celebrating our seniors ensures they feel appreciated, supported, and integrated into the communities they helped build.

YOU'RE INVITED

Join us on August 21st at 2:15pm to celebrate our seniors on this important day. Be on the lookout for more information and R.S.V.P headed your way soon 😊

Heat & Hydration Safety

Recognize hidden dehydration: Look for non-verbal behavioral cues like sudden fatigue, increased confusion, or localized dizziness.

Modified August Activities

Incorporate low-stress memory tasks: Sit together in a cool room to complete small, sensory-stimulating tasks like sorting through old summer photo albums, listening to familiar classic music, or folding light laundry

Pre-Autumn Planning & Routines

Lock in daily structure: Consistency offers an absolute sense of security for progressive cognitive decline. Use August to solidify fixed wake-up times, meal schedules, and bedtime rituals before seasonal sunlight hours change

Update to Program and activity schedule

In effort to increase hydration throughout the day we have scheduled water and rest breaks. In doing this, some activities are shorter by 10 minutes to accommodate this change. In addition to increasing hydration, providing time for periodic rest helps lower stress and calm anxious behaviors.

As the Seasons/weather changes

Please be reminded that all participants are required to have a season appropriate change of clothes on hand at the ADHC at all times.

We also encourage caregivers to send your loved one with a light Jacket daily. While we do our best to maintain temperatures above 70 degrees in the program, it may still feel cool to some.
