

FY2027 Competitive Standard Community Partners Awardees

Organization	Funding Amount	Description of Service
ACTS	\$50,000	Funding will support Sexual Assault/Domestic Violence Services. A coordinated system of care that includes a 24-hour crisis response line, hospital accompaniment, forensic exam advocacy, court advocacy, and ongoing case management. Survivors receive safety planning, trauma-informed counseling referrals, and support navigating legal and medical systems.
Boxes of Basics	\$50,000	Funding will be used to provide children with a full seasonal wardrobe, each Box of Basics is curated for an individual child, including multiple school and play outfits, and essentials.
Capital Area Food Bank (CAFB)	\$50,000	CAFB will utilize grant funds to expand our Food+Education and Workforce Success Scholarship Program at the NOVACC Workforce Development Center and support the basic food needs of students at our college pantries) by enabling us to provide over 10,000 meals to students in need.
Lunera Health	\$50,000	This project will improve health status of our region's most vulnerable people: poor pregnant women of color living in PWC. Through the expansion of comprehensive perinatal and postpartum care. Providing comprehensive primary health care for the underserved residents of PWC including pediatrics, family medicine, internal medicine, infectious disease, behavioral health, psychiatry, dental and pharmacy services.
Northern Virginia Family Services (NVFS)	\$50,000	Funds will support NVFS Early Childhood Education (ECE) programming. NVFS provides comprehensive, full-day, full-year child development services to three- and four-year old children and their families who live in Greater Prince William, with a special focus on helping preschoolers develop the early reading and math skills they need to be successful in school.
Northern Virginia (NOVA) Food Rescue	\$50,000	Northern Virginia Food Rescue addresses both food waste and hunger in the region by rescuing surplus food from grocery stores, restaurants, farms, and other sources and distributing it to local food banks, shelters, schools, and other agencies that serve low-income and vulnerable populations.
Northern Virginia Veterans Association	\$50,000	NOVA Veterans provides holistic personalized support for vulnerable veterans. This investment will continue serving PWC's vulnerable veterans, including outreach and identifying PWC veterans who require personalized, coordinated support to obtain essential, needed services that impact our veterans' social determinants/drivers of health and their associated health-related social needs.
Opportunities, Alternatives, and Resources (OAR)	\$50,000	These funds will be used specifically to strengthen evidence-based case management grounded in proven approaches, including cognitive-behavioral coaching, motivational interviewing, trauma-informed care, and strengths-based planning. Alongside case management, this funding will also support services like housing stability, employment readiness, and emergency assistance for residents returning from incarceration.
PWC Community Foundation (PWCCF)	\$50,000	PWCCF provides integrated, community-based programs that address food insecurity, economic stability, and educational advancement for residents across Prince William County.
Rainbow Riding	\$50,000	Therapeutic Riding (TR) and Equine-Assisted Therapy (EAT) uses the horse's (Rainbow currently has 10 equines) ability to re/act to emotional and physical energy, read and communicate verbal and non-verbal clues, and capacity to "elevate" a rider to improve physical, developmental, intellectual, and mental health/behavioral disabilities.
Salvation Army	\$50,000	The program provides both food assistance and emergency rent and utility assistance, supported by case management and referrals, to low-income individuals and families in PWC facing financial hardship.
Scouting America	\$50,000	Funding will support leadership and character education programing for boys and girls ages 5 through 20 who are residents of PWC as well as their families.

Organization	Funding Amount	Description of Service
Virginia Community Food Connections (VCFC)	\$50,000	VCFC provides expanded fresh food access for vulnerable Prince William County residents through the Supplemental Nutrition Assistance Program (SNAP) and Virginia Fresh Match (VFM) program at the Dale City Farmers Market.
Women Giving Back	\$50,000	To provide clothing, shoes, food, diapers, school supplies and other essentials to women and children in crisis throughout the county.
NAMI Prince William	\$45,000	Funding will support the all-volunteer organization made up of persons with "lived experience" of mental health, has provided free mental health awareness, support, education, and advocacy to residents of Prince William.
NatureBridge	\$40,000	NatureBridge delivers a 3-day, 2-night overnight environmental science program for PWCPS students at our campus in Prince William Forest Park, fostering environmental literacy and long-term stewardship for local youth. Serving primarily middle school students from under-resourced communities, trained educators lead hands-on, inquiry-based learning in ecology, watershed science, and climate studies, aligned with Virginia Standards of Learning.
Literacy Volunteers of America Prince William (LVA-PW)	\$38,000	LVA-PW provides low-income, low literate PWC residents with ESL (reading, writing, speaking, listening) classes while integrating health literacy topics throughout the year. This includes teaching parents of students at PWCS Title 1 schools. This program offers classes in ESL, Digital Literacy, Health Literacy, and Citizenship. All classes are free.
Future Kings	\$35,000	Funding will support the implementation of the Future Kings UAS Drone Engineering Workforce Pipeline Pilot, a 20-week program designed to prepare Prince William County students from underserved communities for careers in the rapidly growing unmanned aircraft systems industry. This investment will enable participants to earn industry-recognized credentials, technical competencies, and workforce-readiness skills aligned with local employer demand.
CASA, Inc	\$30,000	Funding will support CASA's English for Speakers of Other Languages program will engage 510 students over one year in essential lifelong learning classes to build English language skills for life and work. Students from over 15 countries and various educational backgrounds enroll in one of three class levels, from Basic to High Beginner.
The Women's Center	\$25,000	Through the Enhanced Access to Mental Health Program, the Center provides culturally appropriate trauma informed mental health counseling services to low-income, uninsured and disproportionate community members of all ages, races, ethnicities and genders– regardless of their ability to pay.
Pink Space Theory	\$18,000	Pink Space Theory provides workforce development for youth ages 6 to 18 by offering mentorship, internships, and skill-building programs that enhance educational, leadership, and life skills. Through hands-on workshops, youth master advanced math, technology/coding, science, engineering, and entrepreneurial skills.
Court Appointed Special Advocate (CASA) Children's Intervention Services	\$10,000	To protect and serve the county's abused, neglected and abandoned children; and to provide a voice for these children in court proceedings.

FY2027 Micro Community Partners

Organization	Funding Amount	Description of Service
Creating Foundations for Hope (CFH, Inc.)	\$5,000	CFH's Security Deposit Program will provide up to \$300 in assistance for households moving into a new rental home in PWC. All payments are made directly to the landlord, with checks issued in the landlord's name.
Northern Virginia Black Chamber of Commerce	\$5,000	The investment will increase participation among PWC businesses and enhance the overall impact of an established, partner-supported initiative. By strengthening the capacity and competitiveness of the local small business community and connecting businesses to broader regional opportunities.
Postpartum Support Virginia	\$5,000	Healthy Moms+, Healthy Babies program provides the following services to families who reside in PWC in English and Spanish: year-round warmline, social support groups, Mothers & Babies curriculum-based groups, peer mentors, and professional care coordination.
Prolific Visions Restoration Foundation	\$5,000	Funding will allow young women have access to a safe, supportive environment where they can build confidence, develop leadership skills, and strengthen emotional resilience.
Sarahs Way Foundation	\$5,000	Funding will support the Sarah's On-the-Job Training (OJT) Workforce Development Program serving residents of PWC. The funding will support workforce readiness training, industry certifications, participant support services, and employer-based job training placements for individuals facing barriers to employment.
Society of St. Vincent de Paul Our Lady of Angels Conference	\$5,000	Funding will provide financial assistance, food pantry, and other referral services. Financial assistance for utility bills and shutoff notices, prescriptions, winter coats, funeral-related bills, car repairs, and funding for other necessities.
UNITYNow, Inc.	\$5,000	Funding will be used to support direct program services for the UNITYNow Girls to Greatness (G2G) pilot program, serving teen girls residing in group homes and the JDC in PWC. Funding will enable delivery of weekly, structured services to residents who would otherwise lack access to consistent educational and workforce-readiness programming.
YUME Legacy	\$5,000	Funding will provide PWC youth with workforce readiness and leadership development programming that advances economic mobility, promotes positive life outcomes, and increases equitable access to career pathways, mentorship, and essential life skills.
Purple Runway	\$4,500	Funding will support the RESET Program for survivors of domestic violence in PWC. To provide direct services, including workshop facilitation, participant materials, wellness resources, and program coordination. Access to trauma informed care and provide survivors with the tools needed to improve emotional well-being, increase safety, and strengthen long term resilience.
Hands on Harvests	\$2,100	Funding will be used for event tabling registrations, seed swap events, social media outreach campaign boosts, printed material, and hosting 8 online, bilingual, seasonally appropriate garden programs with guest speakers.
