

PRINCE WILLIAM County

The Prince William County Animal Services Bureau, in accordance with direction given by the Prince William Board of County Supervisors, is accepting applications for funding to be used by community organizations for the expansion of the County's Trap, Neuter, Vaccinate, and Release (TNVR) program. A total of \$48,000 will be awarded to one or more qualified 501c3 non-profit organizations through the Community TNVR program for the purpose of increasing the number of sterilized cats in the community.

The Animal Services Bureau will hold an information session on September 3, 2026, at 6:00 p.m. during which staff will be available to answer questions regarding this funding opportunity. The information session will be held at the Animal Services Center located at 14807 Bristow Road in Manassas.

Total Amount to be Awarded: \$48,000

Individual Award Amounts: Recipient organization selections and individual award amounts will be based upon scoring criteria including an applicant's proposed activities and program sustainability, as well as the number of qualified applicant organizations.

Deadline: All applications are due by noon on September 10, 2026

Period of Performance: October 2026 – June 2027

Funding Requirements:

Recipient organizations must:

- be a non-profit organization with active 501c3 status
- have been in operation for 3 years or more
- include an existing focus on the community cat population in Prince William County

Grant funding awarded through the Community TNVR Program must include all of the following: sterilization (including pain relief), microchipping, Rabies vaccination, and ear tipping for each cat.

All organizations which receive funding must submit a final performance report within 90 days of the performance period end date detailing usage of the funding provided including the number of cats sterilized, zip codes of the trapping locations, and totals of any cats not re-released/euthanized.
