Regular Meeting

Res. No. 26-14

**RE: ENDORSE AND RECOMMEND ADOPTION TO THE PRINCE WILLIAM
BOARD OF COUNTY SUPERVISORS OF PATHWAYS 2035: PRINCE WILLIAM
COUNTY TRAILS MASTER PLAN**

ACTION:

WHEREAS, on December 13, 2022, the Prince William County Board of County Supervisors (BOCS) approved the Mobility Chapter of the 2040 Comprehensive Plan; and

WHEREAS, Policy RT9.2 of the Mobility Chapter calls for the development of a Countywide Trails Master Plan to identify trail and active mobility gaps for inclusion into capital improvement and capital maintenance budgets; and

WHEREAS, Policy RT9.2 of the Mobility Chapter further calls for the Countywide Trails Master Plan to include an evaluation of blueway opportunities; and

WHEREAS, Pathways 2035 was prepared jointly by staff from the Department of Parks & Recreation, the Department of Transportation and Capital Construction, and the Planning Office and with input and feedback from the Prince William County Trails and Blueways Council, stakeholders, and residents; and

WHEREAS, the Prince William County Trails and Blueways Council was provided opportunities for input and review of the final draft of the report; and

WHEREAS, as directed in Policy RT9.2, Pathways 2035 identifies and prioritizes segment gaps in the County's active mobility, recreational trail, and blueway networks to aid fiscally responsible capital budgeting for trails; and

WHEREAS, the Plan provides a 10-year outlook for advancing the prioritization of recreational and activity mobility trail gaps, that support an expanded and interconnected trail network across the County, which benefits all residents;

NOW, THEREFORE, BE IT RESOLVED that the Prince William County Trails and Blueways Council hereby endorses the Pathways 2035: Prince William County Trails Master Plan and recommends adoption and regular funding of the plan by the Prince William Board of County Supervisors.
