RE: Address Re-assignment Information

Attached are address re-assignments which include identification information for properties within Prince William County. Action was taken in accordance with the Prince William County Code, Chapter 24, Article 2. Addresses were re-assigned in conformance with the uniform County-wide grid system.

By eliminating discrepancies in street names and addresses, the system is instrumental in providing information concerning the location of the property. This information is essential in providing quick and accurate Fire and Police protection, rescue service, and other emergency services required by County residents.

A letter of notification has been sent to property owners and tenants concerned with the address change within the past two weeks. At this time, County agencies, utility companies, and the U.S. Postal Service are being notified of this change. **Please note that the effective date of the address re-assignment is indicated on the printout.** Generally, the effective date is approximately two weeks from the date of this letter.

In the event that you have any questions, you are invited to visit the Geographic Information Systems at 5 Country Complex Ct, Suite 140, Woodbridge, VA 22192, or call at **703-792-6840**.

Re: Northern Virginia Community College Address Assignment/Reassignment

Dear Mr. Mayhew:

Our office recently received a request from you to assign address numbers for each individual building located within the Northern Virginia Community College, Manassas Campus. Additionally, a request was also made to change the parcel address. Currently, the entire NOVA Manassas Campus uses one address, 6901 Sudley Road and the entrance into the NOVA Manassas campus is unnamed. Per your request, the parcel address and all of the premises addresses will be assigned off of the new street name, Campus Drive, which is how all of the buildings are accessed.

The GIS staff understands that State buildings are exempt from County codes; however, it is highly recommended that the addresses be posted on each building for public safety response. If that is not an option, it would be recommended to have the addresses posted on a freestanding sign next to each building. The address numbers should contrast with the background which they are posted and be clearly visible from the street on which the buildings are addressed and from easements in the rear of such buildings. Also, please make sure a new street sign is posted at the entrance of Campus Drive and Sudley Road.

In order to expedite emergency response and to be consistent with the Prince William County uniform addressing grid, the parcel and premise addresses of your property are as follows:

**GPIN**  
7697-39-2308

**Old Parcel Address**  
6901 Sudley Road

**New Parcel Address**  
10950 Campus Drive

**NVCC Buildings**

**MH– Howsmon Building**  
**MC – Colgan Hall**  
**MP – Parrish Hall**  
**MA - Mary Louise Jackson Amphitheater**  
**MM – Maintenance Building**  
**MS – Classroom Building**  
**MT – Power Tech Building**  
**MB - Building Trades**

**New Premises Addresses**

**10851 Campus Drive**  
**10861 Campus Drive**  
**10731 Campus Drive**  
**10701 Campus Drive**  
**10650 Campus Drive**  
**10621 Campus Drive**  
**10600 Campus Drive**  
**10590 Campus Drive**

This address change will be effective July 1, 2016. We will notify various County agencies, utility companies, and the U. S. Postal Service of the effective date of this change through eNotifications. Be advised that it is the responsibility of the property owner to notify all tenants, personal correspondents, and agencies. The post office will continue to deliver mail having the old address for a period of one (1) year.

In the future, if new structures are built which require an address assignment, please contact our office for the assignment of approved addresses.

If you have any questions, please contact Danielle Lewis of this office at 703-792-5542 or [dlewis@pwcgov.org](mailto:dlewis@pwcgov.org).

Sincerely,

A handwritten signature in blue ink that reads "Angela Mills". The signature is fluid and cursive, with a long horizontal stroke at the end.
