RE: Address Re-assignment Information

Attached are address re-assignments which include identification information for properties within Prince William County. Action was taken in accordance with the Prince William County Code, Chapter 24, Article 2. Addresses were re-assigned in conformance with the uniform County-wide grid system.

By eliminating discrepancies in street names and addresses, the system is instrumental in providing information concerning the location of the property. This information is essential in providing quick and accurate Fire and Police protection, rescue service, and other emergency services required by County residents.

A letter of notification has been sent to property owners and tenants concerned with the address change within the past two weeks. At this time, County agencies, utility companies, and the U.S. Postal Service are being notified of this change. **Please note that the effective date of the address re-assignment is indicated on the printout.** Generally, the effective date is approximately two weeks from the date of this letter.

In the event that you have any questions, you are invited to visit the Geographic Information Systems at 5 Country Complex Ct, Suite 140, Woodbridge, VA 22192, or call at **703-792-6840**.

END OF REPORT

All 4 existing homes - 12206, 12208, 12210, and 12212 are rental properties. The house at 12206 is vacant, as of 7/19/17. We do not know the tenants names. GIS had to reassign these because a new subdivision, Dearmey Subdivision (Jennel Estates) was recorded and the homes are under construction & there were not enough available addresses to assign to the new subdivision. 12206 will be reused for lot 12 of Dearmey Subdivision.
