## Recommended Digital Resources for Middle School

### Access Video On Demand

Tens of thousands of educational videos, including content from PBS, the BBC, National Geographic, and many other content providers. Use the "Browse Standards" link to search by Virginia Standards of Learning and supplement the curriculum!\*

### Find It Virginia

A collection of databases that provides access to resources such as newspapers, magazine and journal articles, and books such as encyclopedias. Databases include Encyclopedia.com, Biography.com, Presidents of the United States, and more.‡

### Issues & Controversies

This database explores hundreds of hot topics in politics, government, business, society, education, and popular culture.‡

### Learning Express Library

Use the "School Center" to access test prep for high school and college entrance exams and find skill-building resources for middle school academic success. Access homework help for math, reading, writing, social studies, and more! Must have valid email address to register.

### NoveList K-8 Plus

A reader's advisory resource for fiction, non-fiction, and audiobooks, aimed at elementary and middle school students.\*

### Opposing Viewpoints In Context

A dynamic online library of current event topics, presenting the facts as well as the arguments to understand all sides of the story.\*

### Pronunciator

An online language-learning resource that is a fun and free way to learn any of 163 languages with personalized courses, movies, music, and more! Patrons who speak a language other than English can select from nearly 50 different languages as their "base" language. Includes new COVID-19 language course in 101 languages.\*

### Rocket Languages

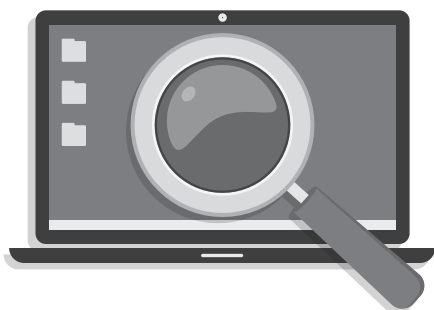

A language-learning product featuring lessons in over a dozen languages, as well as an ESL component.‡

### Testing And Education Reference Center

Math and English educational tutorials and GED test prep, plus practice tests and eBooks for different careers and vocations including real estate, cosmetology/barber licensing, and Microsoft tutorials. Access homework help for math, reading, and writing. Must have valid email address to create account.

### Today's Science

Science news written especially for students. Updated weekly and containing thousands of links to a 15-year back-file, Today's Science explains important developments in biology, chemistry, the environment, space, physics, and technology.‡

\*Must use 14-digit library card number to create account. This tool is not available with a digital library card.

‡Must use 14-digit library card number or digital library card code.
