Senior Services Outreach Request Form

Use the form below to request Prince William Public Library's services for seniors. We may be able to provide a speaker or set up an information table on various services, resources, and programs for senior citizens. Library staff may also be able to provide literature and/or training on senior-friendly services, resources, and programs.

Please submit your request at least four weeks prior to the date you will need library services. Submission of this form does not guarantee that a library employee will be available for your event. You will receive an email confirmation acknowledging your request.
