What is business watch?

Business Watch is one of the most effective and inexpensive ways to prevent crime. Business Watch enables individual businesses to take an active part in prevention and reducing crime through information sharing, raising awareness and training employees how to recognize criminal activity.

The goal of Business Watch is to provide educational information and crime prevention techniques to increase the security of businesses and create a safer environment for customers, clients and employees.

As a member, you are the eyes and ears of the police department in your place of business. By making the effort to report criminal activity, you are making your business as well as surrounding community a safer place.

All Businesses Welcome

Any business in Prince William County is eligible to become part of the Business Watch program.

Whether your organization / business has customers, clients or simply just staff members, we encourage you to be participate in the program.

Informational Alerts / Messages

Business Watch members receive e-mail updates, crime trends, safety tips, incident reports and any additional information deemed pertinent to the safety and security of your business and employees.

Get Started

Contact the Crime Prevention Unit at 703-792-7270 and explain that you would like to become a member of the Business Watch program.

There is no cost. This is a free service provided by the Prince William County Police Department.
