

Prince William County Solid Waste Division

Household Hazardous Waste & Electronics Recycling Program

Certain hazardous materials (described below) may pose a risk to human health or the environment if placed in the regular trash. Prince William County provides special locations where these items may be dropped off for recycling and/or special handling. In addition to certain hazardous materials, County residents may also drop-off electronic equipment (computers, televisions, cell phones, etc.) at the locations below for recycling. Limit of 3 units per visit. This service is available to County residents only at no charge. Sorry – no business waste is accepted at these locations.
