

# Prince William County Solid Waste Division

## Weekly Trash & Recycling Collection Sites Program

The Solid Waste Division provides weekly collection of household trash and recycling at two rural locations for the convenience of residents. This service is available to County residents only at no charge. Bulky items, construction waste are not accepted and should be taken to the Prince William County Landfill, 14811 Dumfries Road, Manassas, VA 20112, or Balls Ford Road Composting Facility, 13000 Balls Ford Road, Manassas, VA 2019. Rocks, sod, concrete, asphalt, and other similar material must be taken to the landfill location. No business waste is accepted at the weekly collection sites.

WEEKLY TRASH & RECYCLING LOCATIONS	HOURS OF OPERATION*
Evergreen Fire Department 3510 James Madison Hwy. Haymarket, Virginia 22069	Saturdays, 7am to 12pm
The Nokesville School 12375 Aden Road Nokesville, Virginia 20181	Saturdays, 7:30am to 1pm

\*Services are subject cancellations due to weather or community events.

### Saturday Trash & Recycling Collection Site Rules:

- This program is for bagged household trash and recycling and hours of collection are subject to change.
- Service is open to county residents only. Site attendant may request proof of residency.
- This program is for residential waste only – no business or commercial waste is accepted.
- All household trash must be bagged and securely tied.
- Recycling may be mixed together and should be loose or in clear plastic bags. Recyclable materials accepted include: glass, plastic, and metal food and beverage containers, newspaper, magazines, cereal-type boxes, clean foil, and milk, juice, and soup cartons.
