I want to join BEST Lawns. As a participant of the BEST Lawn program, I give my permission for a representative from the Virginia Cooperative Extension Prince William Office to come onto my property to take soil tests and lawn measurements. I understand that the information on this form will be shared with Master Gardener volunteers who make the visit to my property. I intend to implement the practices recommended in my nutrient management plan to the best of my ability. I understand that the base fee of **\$40** covers one soil test and provides program materials. Any additional soil tests are **\$15** each. I understand that there is a \$50 returned check fee. Most lawns only need one sample. If you are not sure if you need multiple samples, call our office (703-792-4037) and we will help you figure it out before you write a check. Enclosed is a check for program fees.
