**RE: SUSTAINABILITY COMMISSION RECOMMENDATION TO ENDORSE A
SUSTAINABILITY COMMUNICATION AND OUTREACH PLAN**

ACTION: Approved

Whereas, the Sustainability Commission has recognized the importance of sustainability outreach to students and the general public in Prince William County.

Now, therefore, be it resolved that the Sustainability Commission endorses a sustainability communication and outreach plan that would engage students and the general public in environmental action. The Sustainability Commission recommends that the sustainability communication and outreach plan would bring together sustainability leaders and community partners, such as Keep Prince William Beautiful, the Office of Sustainability, the Joint Environmental Taskforce and other environmental partners in the county to coordinate consistent messaging and collective actions.
