

NOTICE OF WILLINGNESS

Token Forest Drive Sidewalk Project

The Prince William County Department of Transportation (PWC DOT), in cooperation with the Virginia Department of Transportation (VDOT) and the Federal Highway Administration (FHWA), proposes the construction of a 5- to 6-foot-wide sidewalk along the east side of Token Forest Drive (Route 751) with up to a 3-foot-wide buffer strip between the proposed sidewalk and proposed new or relocated curb and gutter. The sidewalk will provide pedestrian connectivity by eliminating the sidewalk network gap along the eastbound lane of Token Forest Drive between 6231 Token Forest Drive and the Prince of Peace United Methodist Church Entrance, for a distance of approximately 420 feet. The sidewalk construction will require dedication of right of way and easements from the properties owned by the GE J Manassas LLC, Trustees of the Prince of Peace United Methodist Church and Forest Glen Estates HOA INC.

In accordance with the National Environmental Policy Act (NEPA) and 23 CFR 771, a Programmatic Categorical Exclusion (PCE) has been prepared under an agreement between VDOT and FHWA for the project. The project will not impact properties protected by Section 4(f) of the Department of Transportation Act or Section 106 of the National Historic Preservation Act.
